

Question 32

The screenshot shows the VS Code interface with the following details:

- File Explorer:** Shows files in the project structure: `server.js`, `index.html`, `node_modules`, `package-lock.json`, `package.json`, and `server.js`.
- Editor:** Two tabs are open: `server.js` and `index.html`. The `index.html` tab is active, displaying the following code:

```
<!DOCTYPE html>
<html>
<head>
<title>Online Offline Status</title>
</head>
<body>
<div>
<span id="dot"></span>
<span id="status">Offline</span>
</div>
<script>
const statusText = document.getElementById('status');
const dot = document.getElementById('dot');

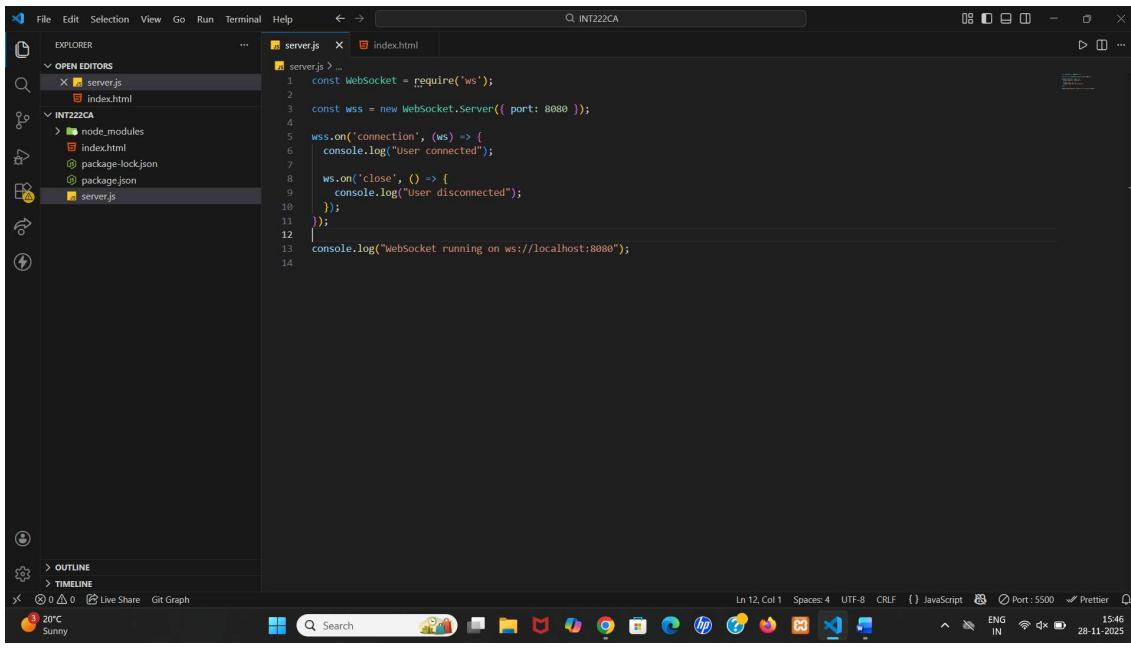

// Default offline
dot.style.color = "red";

const socket = new WebSocket("ws://localhost:8080");

socket.onopen = () => {
    statusText.innerText = "Online";
    dot.style.color = "green";
};

socket.onclose = () => {
    statusText.innerText = "Offline";
    dot.style.color = "red";
};

socket.onerror = () => {
    statusText.innerText = "Offline";
    dot.style.color = "red";
};
</script>
```

- Bottom Status Bar:** Shows the file path `Q:\INT222CA`, line 7, column 1, spaces 4, encoding UTF-8, CRLF, and port 5500.
- System Tray:** Shows weather (20°C, Sunny), battery level (0%), and system icons.

The screenshot shows the VS Code interface with the following details:

- File Explorer:** Shows files in the project structure: `server.js`, `index.html`, `node_modules`, `package-lock.json`, `package.json`, and `server.js`.
- Editor:** Two tabs are open: `server.js` and `index.html`. The `server.js` tab is active, displaying the following code:

```
const WebSocket = require('ws');

const wss = new WebSocket.Server({ port: 8080 });

wss.on('connection', (ws) => {
    console.log("User connected");
});

ws.on('close', () => {
    console.log("User disconnected");
});

console.log("WebSocket running on ws://localhost:8080");
```

- Bottom Status Bar:** Shows the file path `Q:\INT222CA`, line 12, column 1, spaces 4, encoding UTF-8, CRLF, and port 5500.
- System Tray:** Shows weather (20°C, Sunny), battery level (0%), and system icons.
